

## Cut It Up Workshop Supply List

sketchbook  
Ruler  
Bevel tool  
Scissors  
Pencil  
Poster board  
Thick foam  
Rib  
Scoring tool  
Pony roller  
Banding wheel  
Exacto/feeding knife  
Compass  
Sock with sand  
Sur form  
Tape  
Newspaper  
Sponge  
Chip brush  
Wire cutter  
Needle tool  
Cheese cutter  
Wooden knife  
Paddle  
Level  
Plastic

### For Slabs:

2 same size thickness paint sticks, I prefer thicker ones  
Rolling pin, the bigger the better  
Boards for storing slabs/works in progress  
Canvas/ old sheets

I would have 5-6 decent size slabs rolled out, keep under plastic, you will want them to be wet.  
Do not let them get past leather hard. This will give a good starting point.
